RATIONALE

The Taylors Lakes *Football Club* (the club) recognised that passive smoking (inhaling second-hand smoke) is hazardous to health and that non-smokers should be protected from tobacco smoke. Passive smoking can lead to other serious illnesses such as bronchitis, lung cancer, cardiovascular disease, and chest illnesses in children. Accordingly the following policy has been developed by the club to help protect people's health.

The move to go SmokeFree also complements the *clubs* desire to create a healthy family friendly environment. The *club* believes that such an environment and image will be advantageous in attracting new members and positively promoting the club in the community.

Legislation and the legal duty of care also provide reasons to have a SmokeFree club. Under common law the *club* has a legal duty of care to ensure that employees, volunteers, players and officials are not exposed to potentially harmful situations. The Occupational Health and Safety Act also stipulates that employees and working volunteers must have a safe environment to work in. Victorian SmokeFree dining legislation also states that enclosed dining areas must be SmokeFree.

WHO IS AFFECTED BY THE POLICY

This policy applies to all members, administrators, officials, coaches, players and visitors of the Taylors Lakes Football Club

TIMING

This policy is effective from 01/04/2012

DESIGNATED SMOKEFREE AREAS

The Taylors Lakes Football Club requires the following areas to be SmokeFree:

- Club and social rooms
- Administration and office areas
- Changing rooms
- Toilet blocks
- Indoor spectator viewing areas
- Playing areas
- Eating areas
- Grandstands and spectator viewing areas
- Near entries and exits of buildings, facilities, and the ground

SALE OF TOBACCO PRODUCTS

The Taylors Lakes Football Club will refrain from selling tobacco products.

BEHAVIOURAL EXPECTATIONS

The Taylors Lakes Football Club recognises that role modelling can have a significant impact upon the junior members of the club. Hence, the following individuals and groups will refrain from smoking while they are acting in an official capacity for the club or while in club uniform:

- Coaches (when coaching or representing the club)
- Trainers (when training players)
- Officials (when officiating for the club)
- Volunteers (when working for the club)
- Players (when in uniform and representing the club)

NON-COMPLIANCE STRATEGY

The following five step non-compliance strategy will be followed if anyone breaches the Clubs SmokeFree policy.

1. Assume that the person is unaware of the SmokeFree policy.
2. A staff member or club representative will approach the person breaching the policy and politely ask them to refrain from smoking and remind them about the SmokeFree policy.
3. If the offence continues, then the most senior staff member or most senior club representative will verbally warn them again and hand over a formally written letter that outlines the club's policy on smoking. The offending patron must also be made aware that if they don't stop smoking then they will be required to leave the club's facility. The club's management committee will sign off on the letter. This letter will be pre-written and kept both behind the bar and at the ground so that copies are readily available.
4. If the offence does continue then the patron will be escorted out of the facility by staff and/or a senior club representative.
5. Under no circumstances should the Taylors Lakes Football Club SmokeFree policy be breached: No matter whom the offender is.

POLICY REVIEW

The policy will be reviewed on an annual basis thereafter. This will ensure that the policy remains current and practical.

This Policy was passed by the club's committee on 27th February 2012 and will take effect from 1st April 2012
