Round 17 Seniors keep slim hopes alive

On Saturday our Seniors kept their slim hopes alive by recording a big win over Glenroy. With one game remaining we need to make sure we beat Craigieburn next week, and then hope other results go our way. You never know, stranger things have happened.

Our Under 16's had a great win over 4th placed Moonee Valley, which should give them plenty of confidence going into the finals. Unfortunately our Under 12's bowed out of the finals, however they all should be proud of their efforts in a very tough competition.
